## Emergency Food and Shelter Program Key Dates for Phase 41

The National Board sets key program dates during the course of each phase in an effort to ensure funds are released in a timely manner to eligible Local Boards and their LROs. **All dates are subject to change and may be changed unilaterally by the National Board, as needed**, including submission of Local Board Plans, Second Payment Requests, EFT enrollment, and Final Reports. Local Boards will be notified of changes via email, as necessary. **The failure of Local Boards and LROs to adhere to the key program dates may result in the loss of funds.**
